

Dark Hendrickson

Hook: TMC 100 Size 12-18
Thread: 8/0 Tan
Wing: Blue Dun Turkey Flats

Tail: Lemon Wood Duck Hackle Fibers
Body: Hendrickson Pink Fine Dry Dubbing
Hackle: Blue Dun Hackle

Step 1 Tie in thread at eye and wrap to the hook bend. Next tie in hackle fibers, for the tail, that are slightly longer than hook shank.

Step 2 Tie in wing by placing turkey flats over hook shank, tips facing forward, and tie in. Set up right and wrap several times to secure wing. Wing should be about 1/8 of an inch from the eye.

Step 3 Dub in body starting at the hook bend and wrap forward past wing to slightly before eye.

Step 4 Tie in hackle tip behind Wing and wind thread to the other side of the wing.

Step 5 Wrap hackle tip behind and in front of wing tie down and cut excess material.

Step 6 Add dubbing, to make the head, whip finish and cement.
