

## Beginner Fly Tying Classes

Fly tying classes will be provided on a limited basis. For new students, it is best if you can make all classes, (but not required) as you will learn new techniques each week that help to build your fly-tying skills. If you have taken our class before and would like to help with assisting the new fly tyers taking the class, we may be able to use your help.

- If you have a cold, a temperature or feel sick in any way it is recommended that you do not attend class that day.
- This class is for new members and returning members that may have missed out on previous classes, that would like to learn how to tie flies.
- If possible, we will try to provide some **Intermediate classes** on **MVFF's Facebook**. This requires two people. If a question is asked, one person can stop and answer the question and interact with the viewers - because the instructor actively teaching is unable to view questions and comments.

The 2026 Beginner Fly-Tying Classes are free to members as one of the many benefits of MVFF membership.

Classes will be on **Thursdays** starting **February 5, 2026**, from **6:00 pm - 8:30 pm**. Class will continue weekly for 8 weeks. This is a reduction of 4 weeks from our original program. It was a consensus that more weeks increased the dropout rate.

**Classes will be held at Buckeye Wealth Partners, 203 W Franklin St, Dayton OH 45459. This is a NEW location!** We are excited to have a centrally located spot to hopefully make it easier for members to attend. (Though we are very thankful for our previous location as well!)

### **Seating is limited to 20 tyers.**

It is easy to sign up and registration for class is now underway. You may register by telephone or by email (**preferred**). CONTACT: **Kelly Kingery** – [KKingery004@gmail.com](mailto:KKingery004@gmail.com) or **937-789-7874** – Leave me a message and I'll return the call and get the information I need: **Name, email AND home address, and phone number - request to rent a tool kit if you need one.**

We normally have excellent attendance in class. Knowing how many will be participating helps us plan for materials and budget requests to the MVFF board for the classes.

### **We only have 10 loaner kits available.**

If you need to rent a tool kit for the class, the cost is \$75.00. Your rental fee check will be returned to you at the last session, provided all tools and storage devices are returned in good order. Please let **Kelly Kingery** know if you plan on renting a tool kit.

**SPECIAL NOTE:** If your vice C-clamps on, you will need to bring a board that can extend over the edge of the table to clamp it to (try at home first) as the tables are too thick for C-clamps. Free standing base vices are not an issue.

Attached is the class schedule and flies we will be tying. Most are available for viewing at <https://mvff.us/flies/>.

Let me know if you have any questions.

Kelly Kingery
